

Muhammad – the Perfect Man (The Founder of Islam)

[Source: <http://crossmuslims.blogspot.com/2010/12/perfect-man-of-islam.html>]

Notes: *Q used here in place of Qur'an for brevity. Verses shown are from The Holy Qur'an, translated by Abdullah Yusuf Ali.

1. Muhammad – Islam's Ideal Man. In Islam, Muhammad (the Messenger) is considered to be al-insan al-kamil" the (ideal man) or the (perfect man). The entire Islamic moral universe derives from the life and teachings of Muhammad. Muslims as part of their religious observance obey and seek to emulate and imitate their Prophet in every aspect of life. "Moral" in Islam is defined as "whatever Muhammad did." One could generalize that Muhammad is to Muslims what Jesus is to Christians.

2. Muhammad is "An excellent model of conduct." Q 33:21 "Ye have indeed in the Messenger of Allah an excellent exemplar for him who hopes in Allah and the final day, and who remember Allah much."

3. Muhammad's character is an exalted standard. Q 68:4. And surely thou hast sublime morals. [Commentary: Indeed you are truly vast in character]

4. Obeying Muhammad is same as obeying Allah. Q 4:80. He who obeys the Messenger, obeys Allah: but if any turn away, We have not sent thee to watch over them.

5. The Qur'an repeatedly instructs Muslims to obey Allah and the Messenger, as evidenced in the following 20 verses: Qur'an 3:32, 3:132, 4:13, 4:57, 4:69, 5:92, 8:1, 8:20, 8:46, 9:71, 24:47, 24:51, 24:52, 24:54, 24:56, 33:33, 47:33, 49:14, 58:13, 64:12. For example, Q 4:13. "...those who obey Allah and His Messenger will be admitted to Gardens with rivers flowing beneath, to abide therein (for ever) and that will be the supreme achievement.

6. The "Verse of the Sword." Q 9:5. "...fight and slay the Pagans wherever ye find them, and seize them, beleaguer them, and lie in wait for them in every stratagem (of war)..."

7. Beheading. Muhammad created a precedent that explains the peculiar penchant of Islamic terrorists to behead their victims. Q 8:12. "...I will instill terror into the hearts of the Unbelievers: smite ye above their necks and smite all their finger-tips off them.

8. Smite the Necks of the Unbelievers. Q 47:4. "...when ye meet the Unbelievers (in fight), smite at their necks; at length, when ye have thoroughly subdued them, bind (the captives) firmly..." [Emphasis added]

9. "Then they (the tribe of Quraiza) surrendered, then he (the Prophet) sent for them and struck off their heads." There were 600 or 700 in all, though some put the figure as high as 800 or 900. Sira (Biography of the Prophet), by Ibn Hisham v.2, p. 241.

10. Beheading Instructions. Visit the Islamist webpage IslamOnline.net. They provide an article on "How to Behead" a page within "IslamOnline" 'Art & Culture' section. Too disgusting to print here...

11. Pedophile Prophet? Muhammad wrote the marriage contract with Aisha while she was six years old. He consummated the marriage when she was nine years old. V7, Book 62, Number 88, Narrated Ursa. (He was 54)

Muhammad's View of Women

12. A woman's testimony is worth half that of a man. Qur'an 2:282

Q 2:282. "...And get two witnesses, out of your own men, and if there are not two men, then a man and two women, such as ye choose, for witnesses..." [Emphasis added]

13. A son's inheritance should be twice the size of a daughter's Qur'an 4:11

Q 4:11. Allah (thus) directs you as regards your children's (inheritance): to the male, a portion equal to that of two females: if only daughters, two or more, their share is two-thirds of the inheritance; if only one, her share is a half. [Emphasis added]

14. The Qur'an likens a woman to a field, to be used by a man as he wills Qur'an 2:223

Q 2:223. "Your wives are as a tilth unto you, so approach your tilth when or how ye will..." [Emphasis added]

15. Qur'an allows men to marry up to four wives, and have sex with slave girls. Qur'an 4:3

Q 4:3. "...marry women of your choice, two, or three, or four..." [Emphasis added]

16. Qur'an tells husbands to beat their disobedient wives. Q 4:34. "... *As to those women on whose part ye fear disloyalty and ill-conduct, admonish them (first), (next), refuse to share their beds, (and last) beat them (lightly)...*" [Emphasis added]

17. Women are Deficient in Mind and Religion. Muhammad placed females and animals in the same category when he said: "The dog, donkey, and woman nullify the prayer." He also said that hell will be filled with more women than men. After examining such Hadiths, the famous Muslim scholar Al-Qurtubi writes: "A woman may be likened to a sheep (even) a cow or a camel...for all are ridden. *Tafsir v.15, p.172*

18. Islamic Fornication – The Pleasure Marriage. The Pleasure Marriage is a temporary marriage that allows men to enjoy women for a particular period of time. It was practiced by Muhammad and his companions.

19. Rape in Islam. In Islam, it's virtually impossible to prove rape. Muhammad's law requires four male witnesses to prove it. The victim's charge of rape becomes an admission to adultery; the punishment of which is stoning to death.

20. Amputations in Islam. Q 5:38. As to the thief, Male or female, cut off his or her hands: a retribution for their deed and exemplary punishment from Allah, and Allah is Exalted in Power, full of Wisdom.

21. Torture. Muhammad believed torture to be effective. He said: "Torture him until you extract what he has." On the orders of Muhammad, their eyes were branded with hot irons, then plucked out, their hands and feet were cut off.

22. Murder. History shows that Muhammad murdered numerous people whose only crime was writing poems against him. (a) They tied each of her (Un Kerfa's) feet by a rope, the other end of which was tied to a camel and they beat the camels. The two camels ran in two different directions, so she was split into two. (b) Muhammad sent a friend of his, Umair bin A'addy, in the middle of the night to kill her (Bint Marwan). He drew a sword into her chest while she was breastfeeding her baby. (c) Asma was murdered in her house for writing a poem against Muhammad. (d) Ka'b was murdered for writing poems against Islam. (e) Al-Hawayrith for insulting Muhammad. (f) Sara for insulting Muhammad. (g) Abdullah's two girls for singing songs about Muhammad.

23. Lying for Allah. Muhammad learned that systematic lying to the infidel for Allah's cause must be considered part and parcel of Islamic tactics.

24. Stealing. Muhammad chose robbery as his chief source of income. "This is the Quraysh caravan containing their property. Go out to attack it, perhaps God will give it as a prey."

25. The Three choices. Muhammad gave losers three options: convert to Islam, subjugate as inferiors under Islam, or death. Q 9:29. Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the Religion of Truth, from among the People of the Book, until they pay the *jizya* with willing submission, and feel themselves subdued. Then as now, Islam's message to the unbelieving world is the same: submit or be conquered.

26. Death for Apostacy. Some early Muslims who apostatized were killed after Muhammad gave the command to kill all who turn away from Islam. "During the last days there will appear some young foolish people who will say the best words but their faith will not go beyond their throats (i.e. they will have no faith) and will go out from (leave) their religion as an arrow goes out of the game. So, where-ever you find them, kill them, for who-ever kills them shall have reward on the Day of Resurrection." More people are killed by Islamists each year than in all 350 years of the Spanish Inquisition combined.

27. Brief Chronology of Muhammad's Life (Spencer, The Truth About Muhammad, pp. xi-xii).

570 Muhammad born April 20th in Mecca. (He continued to live in Mecca till 622).

610 He begins receiving revelations from Allah via Angel Gabriel; religious Islam was a failure, about 150 converts.

622 He flees to Medina, uses political Islam to gain converts by force; political Islam grows rapidly in size and strength.

624 to 629 He expands use of violence to promote Islam; conversions to Islam continue to increase.

630 He conquers Mecca, and the Ka'bah. He goes on to become the master of Arabia; fights against the Christians.

631 Mohammad was involved in an event of violence about every 6 weeks of the last 9 years of his life.

632 Mohammad dies in Medina on June 8th.

28. Muhammad's Paradise. Muhammad promised his followers a paradise of gardens under which rivers flow. **Q 2:25.** But give glad tidings to those who believe and work righteousness, that their portion is Gardens, beneath which rivers flow. Every time they are fed with fruits therefrom, they say: "Why, this is what we were fed with before," for they are given things in similitude; and they have therein spouses purified, and they abide therein (for ever).

29. Paradise, continued. Q 47:15. “(Here is) the description of the Garden which the righteous are promised: in it are rivers of water unstaling; rivers of milk of which the taste never changes; rivers of wine, a joy to those who drink; and rivers of honey pure and clear. In it there are for them all kinds of fruits; and forgiveness from their Lord...”

30. Paradise with women! Qur’an 56:22-36. Here verses 22, 23, 24, and 25 are listed for brevity: Q 56:22, And (there will be) Companions with beautiful, big, and lustrous eyes, Q56:23, Like unto Pearls well-guarded. Q 56:24, A Reward for the Deeds of their past (Life). Q 56:25, No frivolity will they hear therein, nor any Mischief...”

Muhammad’s “Accomplishments”

31. Self-Proclaimed Prophet. Muhammad is the only founder of a cult who was himself a ruler, conqueror, enslaver, bandit, murder, rapist, polygamist, pedophile and self-proclaimed prophet. He used man’s unbound lust for women, power, and money to woo converts to his religion and his god, Allah. No other god woos devotees in such a manner. It was Muhammad’s cunning to create the Qur’an with his own concept of Allah. He massacred and exterminated all the Jews from Arabia and instigated hatred between his followers and the Jews that has lasted for over 1400 years and has cost millions of lives.

32. Use of Assassins. Muhammad sent assassins to kill his critics in the middle of the night, who committed no other crime than composing poems ridiculing his holiness, even if they were old or mothers of several infants. He raped girls 40 years younger to him whom he captured in his raids on the same day that he killed their relatives. He enriched himself by looting caravans, killing the men, usurping their properties and selling their wives and daughters as slaves.

33. Spoils of War. Muhammad enriched himself with the spoils of his wars on defenseless people, he invaded the boundaries of decency and performed sex with women and children... some he married, some he captured in wars, some were his slaves and maid servants. He had sex with the beautiful wife of his own adopted son as well as his own maternal aunt. He founded a cult that has brought nothing but hatred and discord between his followers (among themselves) and his followers and the rest of mankind.

34. Tears of Jihad. By practicing political Jihad, Muhammad and his followers have caused the death of about 270 million non-muslims; known as the “Tears of Jihad:” Africans 120 M, Christians, 60 M, Hindus 80 M, Buddhists 10 M (values approximate), over the last 1400 years. Selected Quotes

35. Professor Bertrand Russell (Philosopher): “Thus, over a billion people believe in Allah without truly knowing what Allah supposedly stands for or what he really demands of them... and the minority that do understand continue to be Moslems because they have redefined their morality and ethics to fit within the teachings of Islam, which are floridly lacking in morality... They therefore redefine what is good and evil in order to fit their lives into what is preached by Islam, instead of examining Islam to see if it fits within the good life... Backwards thinking, imposed by a backward religion.”

36. Thomas Jefferson & John Adams; the Barbary Wars ...that is was founded on the Laws of their Prophet, that it was written in their Koran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found and to make slaves of all they could take as prisoners, and that every Musselman who should be slain in battle was sure to go to Paradise” *Report written by Thomas Jefferson and John Adams.*

37. Pope Benedict XVI in a speech quoted a 14th century Byzantine emperor who was hostile to Islam’s founder and the issue of jihad, holy war: “Show me just what Prophet Muhammad brought that was new, and there you will find things only evil and inhuman.”

38. Winston Churchill on Islam In a book called UK at War with Islam (pdf, 743k), regarding The River War, 1899: “...The fact that in Mohammedan law every woman must belong to some man as his absolute property - either as a child, a wife, or a concubine - must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men. ... But the influence of the religion paralyses the social development of those who follow it. No stronger retrograde force exists in the world. Far from being moribund, Mohammedanism is a militant and proselytising faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science - the science against which it had vainly struggled - the civilisation of modern Europe might fall, as fell the civilisation of ancient Rome.”
[<http://freebornjohn.blogspot.com/2006/02/winston-churchill-on-islam.html>]

39. Ayesha Ahmed “The militant Muslim is the person cutting the head of the infidel while the moderate Muslim holds the victims feet”. [http://www.islamreview.com/articles/QUOTES_OF_NON_MUSLIM_THINKERS.shtml]

40. John Quincy Adams, in his writing About 1829 said: “As the essential principle of his [Muhammad’s] faith is the subjugation of others by the sword; it is only by force, that his false doctrines can be dispelled, and his power annihilated.”

41. Robert Spencer re Muhammad’s violence: “The words and deeds of Muhammad have been moving Muslims to commit acts of violence for fourteen hundred years now. They are not going to disappear in our lifetimes; nor can they be negotiated away. The best thing that Western governments can do is recognize their character and move to limit their influence within their countries and around the world, calling upon Muslims who call themselves moderate to renounce definitively these elements of Islam, and formulate their policies bearing in mind that most Muslims will continue to regard Muhammad as “an excellent example of conduct.” [Spencer, Robert, The Truth About Muhammad, P. 194]

42. Robert Spencer re Muhammad’s morality: Muhammad solved a problem of his men raiding when they weren’t supposed to (during the sacred months) by realizing that opposition to him was more offensive than a Muslim’s violation of the sacred months. From this, he learned that “good became identified with anything that redounded to the benefit of Muslims, and evil with anything that harmed them, without reference to any larger moral standard. Moral absolutes were swept aside in favor of the overarching principle of expediency.” [Spencer, Robert, The Truth About Muhammad, p. 99]

Wrap-Up Statements

43. Sacred Hate. Bill Warner notes that “The emotional motivation behind Islam’s demands is ”sacred hate,” *al wala wa al Baraa*. Allah hates the Kafirs, their culture and politics. Therefore anyone who loves Allah must hate what Allah hates and also must then have an aversion to our laws and Constitution. Hence, Islam must constantly make demands that Kafirs submit to Sharia.” Also: “Sharia cannot be reformed. It is Allah’s law and it is perfect, universal, complete and perfect.” [Warner, Bill, Sharia Law for Non-Muslims, CSPI, p. 40]

44. Spread of “Truth” about Islam. The facts about the founder of Islam are spreading very rapidly, and Muslims are frantically scurrying to defend their faith. But the information superhighway is paving over the ignorance that has for centuries been the stronghold of Islamic dogma. In the end, Islam will fall, for the entire structure is built upon the belief that Muhammad was the greatest moral example in history, and this belief is demonstrably false. [Prophet of Doom]

45. Allah – Same as God of the Bible? The phrase “*no god but Allah*” proves “*Allah*” is not just another word for “God” to the Muslims. The transliterated phrase from Arabic reads, “*La ilaha illAllah*.” A word for word translation into English would read: *La* [no] *ilaha* [god] *ill* [except or but] *Allah* [Allah]. The important thing to note is that the word “*Allah*” is a name, not the word for god. If “*Allah*” were the word for god, then the phrase would read “*there is no Allah but Allah*.” Clearly it does not. This issue is critical as Islam claims that the God of the Bible (whose name is Yahweh) and Allah are one in the same and that we all, therefore, worship the same god; which is false!
